## About :

Concept Young Scholars program, better known as CYSP is a multifaceted program that guides, recognizes and rewards progress. This program allows CYSP scholars to build character while strengthening and empowering their experiences and preparing them for their future endeavors.

**Please contact your  
CYSP Coordinator:**

## PROGRESS MONITORING

Scholars and their advisors can meet over online platforms to do Progress Monitoring Meeting such as Google classroom, Google meet, Zoom, WhatsApp, facetime, phone call and etc.

## CHARACTER EDUCATION

Students can complete Character Education requirements in a group discussion **with their advisor** on virtual platforms including Youtube, Zoom, Google meet, Google Classroom etc. The group must consist of **at least three** participants.

## STANDARDIZED TEST PREPARATION

During the Pandemic, **only online test prep programs** (Khan Academy, Measuring up, Study Island, IXL, Alex, etc.) will be counted. However, online/in person tutoring will **not** be accepted.

## CULTURAL EXPOSURE

Cultural Exposure activities can be completed on virtual platforms by using Youtube, Zoom, Google meet, etc., **with their advisor. Virtual Cultural Exposure activities should be prepared/organized by an advisor. Students have to complete the Cultural Exposure Re-**

## VIRTUAL EDUCATIONAL TRIP

Advisors can arrange Virtual Educational Trips on virtual platforms such as Youtube, Zoom, Google meet, etc. **Such a trip has to be carried out under the guidance of the advisor. Students have to complete a Virtual Educational Trip Reflection form.**

## VIRTUAL COLLEGE & UNIVERSITY VISITS

Similar to the educational trip, The advisor or college counselor would plan Virtual College and University visits by using the platforms such as Youtube, Zoom, Google meet, etc.

## PARTICIPATING IN EXTRA-CURRICULAR ACTIVITIES

Participating In Extra-Curricular Activities can be completed through school clubs or virtual certificate programs, such as the ones in Ude-my and Edx, or any other certificate program. It has to be a certificate program, but obtaining a certificate is not a requirement.

Examples of online certificate program areas may include Computer, Coding, Science, Math, Leadership, Productivity, Workshops.

## WEEKEND ENRICHMENT PROGRAM

Weekend Enrichment Program could be virtually **organized/led by a school staff member.**

## COMMUNITY SERVICE

Students are able to provide community service with the help of virtual and socially distanced activities such as;

online tutoring,

knitting blankets or hats for hospital patients,

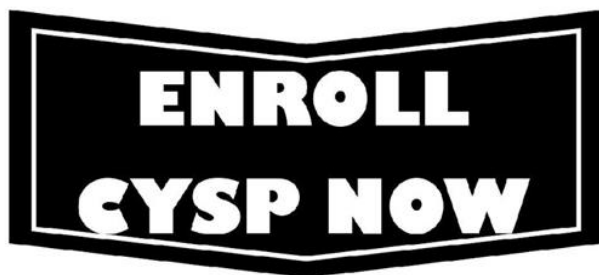

writing letters to those serving in the armed forces abroad,

children in medical isolation, or people under quarantine,

delivering supplies to the elderly or home-bound,

packaging supplies for students who need meals provided by their schools,

helping with public online schools.
